1. Introduction

1.1. The accompanying slide pack: *Annual Review of Community Building Activity in Ebbsfleet Garden City, 2019* gives EDC Board a summary of 'Ebbsfleet Living', activities over the period January 2019 to December 2019.

1.2. Contents of the accompanying slide pack includes:

- Feedback from consultations over the past year in which local people told us they wanted to see delivered in terms of facilities and activities in Ebbsfleet Garden City
- A review of activities, events, projects and investments in the Ebbsfleet Garden City area during the 2019 period.
- A summary of feedback from meetings and presentations to local stakeholders and through events and activities, highlighting local concerns and how EDC plan to respond.
- A brief look at highlights in Ebbsfleet Living for the year ahead.

As can be seen, EDC has supported a wide range of community activity in 2019, we have built on the previous success of the Community Investment Fund, undertaken a major programme of engagement with residents to understand what they would like to see happening in the Garden City and moved to establish the first Community Board.

We will take to opportunity to use the material in the attached slides to further communicate and promote our activity in this area of work.

2. Recommendation

2.1 Board are asked to note the considerable level of activity that has been supported across the Garden City in 2019.
