

Experienced Plant Operator

Are you looking for a rewarding career with an award-winning company that prides itself on family values, puts its people first and provides somewhere you can find security for the future?

Erith is actively seeking versatile and proactive personnel to join our ever-expanding plant division.

The right candidates will be offered an immediate start and a permanent role.

You will be based predominantly in the South East but should be able to work away from home if required, potentially travelling nationwide.

Essential requirements:

Minimum of CPCS Red Trained Operator or NPORS card

Experience of working in the civils and demolition sectors

Eligible to work in the UK (proof required)

To apply, please send your CV/personal statement to yvette.iveson@erith.com
