

Trainer

Erith is currently looking for an experienced, self-motivated and qualified trainer to join our expanding training team located in the southeast of England.

The role will involve reporting to the training and development manager, and the trainer will deliver a combination of training and testing at both the training centre and on site.

Responsibilities:

- Have a thorough knowledge of the training schemes, Awarding Bodies and health and safety in the construction industry and construction plant sector.
- Assist in the preparation and update of training materials.
- Deliver training, maintain current and accurate records of training delivery and documentation required by the schemes.

Essential Skills and Capabilities:

- Excellent communication skills
- Recognised teaching qualification e.g. Level 3 AET/PTLLS or above
- Full driving licence with the ability to travel with occasional overnight stays
- Proficient in Microsoft office (Word, Excel, Power point)

Desirable:

- CPCS (NOCN) Tester
- NPORS Instructor
- Vocational Qualification assessor: A1/D32-D33/TAQA/CAVA
- Recognised health and safety qualification: IOSH/NEBOSH
- Demolition experience
- Additional Scheme tutor/instructor/trainer accreditation (CITB SSP, LANTRA etc)

Experience:

- Minimum of 3 years' experience in the training environment
- Demonstrable experience of working in the construction/plant industry

To apply, please send your CV/personal statement to yvette.iveson@erith.com
